

CUPCAKE TOPPERS *Used to decorate the top of a cupcake.*

Suggested Paper Stock: Regular text weight paper or light-weight card stock. Glossy stock typically gives the best print outcome.

Supplies Needed: scissors or 1.5" circle punch, toothpicks or small dowels (that can be stuck into a cupcake easily), double-sided or glue

- 1) Print as many as you may need and print **2X** that amount. You will need to print 2 for a **FRONT** and **BACK**.
- 2) Cut out shape following dotted lines.
- 3) Apply double-sided tape on the *backside* of one shape.
- 4) Place the toothpick or dowel in the centre of the topper (as shown)
- 5) Join both backsides of toppers together.
