

**PHOTOBOOTH SIGN** *Used as a prop for wedding or event photobooths*

**Suggested Paper Stock:** Card stock for stability (any weight).

**Supplies Needed:** scissors or knife, wooden dowels, tape, double-sided tape (optional)

- 1) Print out the desired sign you want.
- 2) Cut out the shape of the sign following dotted lines.
- 3) Tape a wooden dowel to the backside of the sign.
- 4) For extra stability, cut out a blank copy of the sign shape and use double-sided tape to tape the the backside of the sign.
